

WINTER INSPECTION PACKAGE 2008/2009

- Have you booked your winter inspections yet?
- When is your annual electrical inspection due?
- What about your annual LP Gas inspection?

At Edmund Evans we are now taking bookings for your one stop full inspections package for your Mobile Catering Unit

The package includes:

- 1 - Full running gear checks: includes testing road lights, brakes, axle alignment, coupling damper & brake-away cable, as well as brake rod adjustment.
- 2 - Your annual full electrical periodic inspection report to BS7671, plus PAT testing of all appliances.
- 3 - Your annual full LP Gas inspection report.

£150 + VAT
